

Rishit Kapoor

AI & Data Science Researcher · B.Tech Information Technology · Manipal University Jaipur · ACL 2025 Author · Springer SSIC 2025

✉ rishitkpr@gmail.com | 📞 +91 7703955505 | 🔗 LinkedIn | 🐙 GitHub

Third-year B.Tech IT student at Manipal University Jaipur with **2 peer-reviewed publications**, **AI/ML research experience**, **4-month internship exposure**, and strong foundations in full-stack development, NLP, and cybersecurity. Seeking research-driven or product-focused roles in AI, data science, or software engineering.

Education

Degree	Institution	Year	Score
B.Tech – IT	Manipal University Jaipur, Rajasthan	2023–2027	CGPA 6.47
Class XII (CBSE)	Green View Public School, New Delhi	2023	74.8%
Class X	Prudence School, New Delhi	2021	79.84%

Technical Skills

Languages	Python, C, C++, Java, JavaScript
Frameworks	ReactJS, Node.js, Flask, Express.js
Data / AI	Pandas, NumPy, Scikit-learn, LangChain, RAG Pipelines, OpenAI API
Databases	MySQL, Oracle SQL, MongoDB
Security	Kali Linux, Nmap, Burp Suite
Tools	Docker, Git, GitHub, Linux, Vercel

Key Projects

Multi-Agent Collaboration System | *AI Group Project* Oct 2024
Stack: LangChain · GPT-4 · Python

- Architected a **3-agent pipeline** enabling autonomous task execution, reducing manual workflow effort by **60%**.
- Built a supervisor agent routing tasks dynamically across specialized AI agents.

VizGraph – Data Visualization Platform | *Internship Project* September 2025
Stack: Python · Chart.js · AI APIs

- Built a dashboard system generating **many different interactive chart types** from structured datasets.
- Reduced manual analysis time by approximately **40%** through AI-powered KPI monitoring.

Blogify – Full Stack CMS | *Internship Project* September 2025
Stack: ReactJS · Node.js · MySQL

- Developed a CMS with **JWT authentication** and **3-tier role-based access control**.
- Built RESTful backend architecture supporting scalable publishing workflows.

Professional Experience

Web Developer Intern | *Zidio Development* Jun 2025 — Sep 2025

- Built and deployed **3 responsive web applications**; improved frontend performance by **25%**.
- Integrated **5+ REST APIs** and resolved **20+ sprint issues** across deployments.

Research Assistant | *Manipal University Jaipur* Sep 2024 — Present

- Contributed to **2 peer-reviewed publications** in NLP and behavioural analytics.
- Conducted cybersecurity vulnerability analysis across multiple threat categories.

- Built frontend features and helped organize coding initiatives with **100+ participants**.
- Serving as **Technical Secretary & Placement Head** for the IT department.

Research Publications

Simulating Emotional Intelligence in LLMs through Behavioural Conditioning and Analogical Retrieval

ACL 2025 Workshop, Vienna, Austria

- Developed a behavioural-conditioning framework using RAG pipelines to improve contextual AI responses.

Analysing Device-Specific User Behaviour in E-commerce

Springer SSIC 2025

- Analysed **819M+ event logs** across **13M+ devices** using KDE and statistical modelling.

Certifications

- | | |
|--|---------------------------------------|
| • AWS Cloud with AI – LinuxWorld | • Google Foundations of Cybersecurity |
| • JavaScript & ReactJS Bootcamp | • Backend Web Development Bootcamp |
| • Oracle Database Programming with SQL | • Hacks 8.0 Certification |

Achievements & Activities

- Technical Secretary & Placement Head, LearnIT Club (MUJ).
- Organized Code-Ye-Manipal workshops and hackathons for **500+ students**.
- Participated in national-level hackathons and technical competitions.
